WHAT'S YOUR NORMAL?

What three words best describe your breasts?

Firm, pert & pillowy? Or soft, round & doughy? All breasts are different & only you know the three words to describe your normal. This **Breast Cancer Awareness Month**, we want everyone to find what's **#NormalForMe**. Knowing how your breasts normally look & feel will make any changes easier to spot. **Remember, early detection saves lives!**

Use **#NormalForMe** & share your three descriptive words on social media. Tag us on @iThembaCrusade, @Avon_Speak_Out & @AvonSouthAfrica & help others to get to know their 'normal' too.

**You can make a difference -
buy a product & help save a life.**

Our Breast Cancer Promise

We've been at the forefront of the fight against breast cancer over the last 30 years. With the Avon Foundation for Women, we have raised \$947m for breast cancer causes & funded 16.6m breast cancer screenings globally.**
